Its underlying idea was to bring together an international group of specialists on Joint Implementation 11 - from governments, NGOs, business and science -to discuss its feasibility of Consequences, Strategies, And Policies. ClimateChangeandtheWorldBankGroup: Engelstalig Gebonden, blz. The main purpose of the conference was, however, to sit back and have a reflection about what has now become known as 11, and evaluate from the perspective of academics, and practitioners, jointly with officials what promise the option really holds, and to evaluate under what socio-economic and political circumstances and conditions one could successfully proceed in setting out the framework for its further testing and 1 application.
