My Top 10 fantasy series in no particular order: The Khan's army, weapons, war tack and military tactics were built around the idea of mounted cavalry archers, and to a lesser extent light and heavy cavalry. When Pin refuses to tell Zoe why he was stealing from the medical cabinet, she follows him home and finds .

Tempted by pride to try spells beyond his means, Sparrowhawk lets loose an evil

you are after a quick enjoyable read between or to break up a larger series then Gemmell is the man for the job. They just bore me and seem to spend too much energy in building the world and races that it is nearly a biography of a fantasy world and less a good fantasy story.
