Write a customer review. It's really kind of awful. A follower of Kristin's blog, I bought her book as soon as it came out, so I can't imagine why it took me this long to review it! Learn a language anytime, anywhere in just 30 minutes a day with Pimsleur. It regards the deadline for an article I am writing. As I read and reread each new term after fourteen years of German, two here and two there of Spanish, and three self-taught years of Russian in college, I came to realize that my heart wanted me to be learning French. Short chapters telling endearing, humorous stories about her experiences and easy to read, Kristin Espinasse puts her best word forward to teach us French. The ad does not inform my purchase.
