Mitch it is always so refreshing to read your blog. Do all daughters-in-law feel overshadowed by the daughter of the family? Everyone should know their Body Mass Index or BMI – a scoring system that lets you know if you are at a healthy weight or not.

What's stopping us from being in this place right now? And if it's OK for him or her, what's stopping us from realizing that the very ground beneath our feet is the same? And while the worst is often more difficult to detect than the bliss of people wanting you to notice how blissful they are, the higher you get, the easier it is to notice -- that is, if you are looking for it. And if it did happen, does that mean you've been disrespectful?

What's stopping us from realizing that the very ground beneath our feet is the same? I shall take care of my mouth.
