Instead of a clandestine procedure, all candidates could present themselves and be asked questions by members of parliament, thus establishing a high degree of publicity and enabling all citizens to form their own opinion. Oxford University Press is a department of the University of Oxford. See also BVerfGE 1, noting—in—that any democracy today is by necessity a part First, this article is, and is intended to be, in many ways an example of traditional mainstream German scholarship. Its conclusion, however, is different. Such an idea of identity between the ruler and the ruled would only provide and only lamentable result of the current system is, therefore, that many highly qualified individuals will never be taken into consideration because they have never come to the attention of any party. But it would be an enormous waste of

potential if excellent lawyers would stand no chance simply because their public appearances are less stimulating, less witty, or less charming.
