Feelings and Emotions Agneta H. The author shares her personal experiences, how she has dealt with her emotions during important events in her life either in Russian or English. Why do some writers prefer to write in their second language?

In this provocative and ground-breaking book, Agneta H. explores how bilingual experience affects emotions and beliefs. Nico H. The Gift of Fear Gavin de Becker. What are the ways researchers can assess and model these dynamics?

We can always be conscious of how happy, sad, annoyed, or anxious we feel, and this is a highly readable and thought provoking book that draws on both empirical data and first hand accounts. Thinking in Bets Annie Duke.
