Just a moment while we sign you in to your Goodreads account. The detail helps you fully understand why and how the techniques work. The Cautious Canine specifically addresses the treatment of behaviors stemming from fear in your dog using a classical counter conditioning technique. Hopefully going to implement this with Callie's fear of strangers and especially very interesting and quick read. This is a very short book 30 pages with no illustrations and no extra text. We use the techniques in our big dog who is afraid of strangers and it's worked pretty well so far. Her website is www.OrmaybeIcouldjustalwaysgiveKirbyatreatifhedoes so I am under no illusion that these two will never be left alone but I wouldn't leave any dog and baby. Short and concise it works for novices as well as experienced dog handlers.
