This article describes the process by which the pragmatic perspective was introduced into the field of Catalan language studies. Descriptive grammar for French Ask Question.

This article sets out to present a chronological portrait of the adoption of the pragmatic perspective in Catalan language studies. There will be plenty of opportunities to interact in the target language through class activities and discussions. The participants will be encouraged to converse with spontaneity, discuss familiar topics and contemporary society, and listen to radio and TV broadcasts.

And if you wish to enjoy part of your summer in Barcelona, Girona or Andorra, you will find this project very interesting. EDIT As of are there any update information about this project?
