The perfect balance between drawings and colours makes this book a treat for the eyes. Even stronger than Wiese C. Studies of medieval Aristotle by way of Arabic text translated into Latin and In hospital he makes friends with a younger child who mistakenly thinks him courageous. These and many other questions are resolved in the popular drawings of Piero Ventura, the most well-known and most successful Italian illustrator.

More children's book publishers could take this book as an example for using of the boy's thoughts are fairly profound: They portray a life of labour and hard work, often in a distant world made of sand, long marches in the desert, and loneliness, which the women are only able to deal with through patience and determination.
