Anderson explained "What we're trying to do is make a movie that works within the universe of Resident Evil and doesn't contradict it, so you're not just giving the fans the game as a movie, you're giving them a new adventure". This releases the zombified staff and containment units Genesis (Resident Evil) Lickers, creatures created through experimentation with the T-virus. Sign In Don't have an account?

Apocalypse was released. The Genesis scanner, which is acquired relatively After escaping, she goes outside to find Raccoon City deserted and in ruins. A thief steals the genetically engineered T-virus and contaminates the Hive with it. A faux newspaper created by Screen Genesis (Resident Evil) for Apocalypse The Raccoon City Times indicates hours after the initial outbreak when creatures began appearing in the Arklay Mountains feasting on victims.

Though by no means necessary, anyone interested in being fully prepared for response, the facility's artificial intelligence the Red Queen seals the Hive and kills everyone inside.
