Greenspan was a master self-marketer, which is probably the reason for his rise to Panderer to Power. Panderer to Power will be invaluable in making the case for how we might preserve our solvency and our. Post-crash, Greenspan has tried to play his own game of historical revisionism about his policies that led to the economic crisis.

THmarkeditasto-readDec01, This sort of discredits the intellectual honesty of Scott and his criticism. Time after time he would make highly-publicized predictions and yet the exact opposite would occur see pages 43, 54, and chapter 7.
