Fiscal conservatives often argue that competition in the free market is more effective than the regulation of industry. In the past, conservatives have supported conservation efforts, from the protection of the Yosemite Valley to the creation of the Environmental Protection Agency.

Free markets, they argue, are the most productive markets. Kirk said that Christian American conservatism is a broad system of political beliefs in the United States that is characterized by respect for American traditions, republican support for Judeo-Christian values [1] moral absolutism [2] free markets and free trade [3] [4] anti-communism [4] [5] individualism [4] advocacy of American exceptionalism [6] and a defense of Western culture from the perceived threats posed by socialism, authoritarianism, and moral relativism. This position goes back to Jefferson's vehement attacks on federal judges and to Abraham Lincoln's attacks on the Dred Scott decision of

It was Ronald Reagan's challenge to form these groups into an electable coalition. He was a man who loved America as it was and had been, one whose life was a doughty testament to the trials and glories of ordered liberty. David Bernell March 12,
