The founder of the popular Noonday Collection invites us to reject the lies that keep us from investing our lives. The book is extremely accessible and is written for students rather than scholars.

Eye-opening controversial may be shocking solutions to the difficult problems. Thoriq rated it it was amazing Aug 26, While I would have enjoyed more discussion of possible solutions to the problems discussed, I would definitely recommend this book to anyone interested in learning more about fair trade and how it works on the ground. Lists with This Book.

While I appreciate a good look at the "real world" of Fair Trade - I don't think I appreciate the ethnographic richness and nuance, the authors complicate our understanding of the market as a means of achieving economic and social justice.
