That Writing in the Content Areas learning math and language arts in the context of the other subjects. There are lots and lots of meaningful ways to support literacy in content areas. Example In Instrumental Music III, students complete a "sensual description" activity to help them listen closely when being introduced to a composition before they sight read it the focus of this activity is to engage the musicians as careful listeners rather than stressing strict sight reading skills. Orcreatedaproandconlisttomakeadecision? They also must teach their students to read and write and communicate like mathematicians, historians, scientists, literary critics, and educated members of society. Writing in the Content Areas the nation's students are to go beyond the basics of literacy, though, then secondary school teachers must acknowledge that they are more than teachers of facts, figures, dates, and procedures. Even English teachers – who might be assumed to be responsible for reading and writing instruction – tend to define themselves first and foremost as teachers of literature.

smiled when I read the support tips. However, I think
modelling can have a big impact, especially showing students
how to edit and proof read.
