Amazon Advertising Find, attract, and engage customers. I have wasted years of my life working on my own and other people's "great" ideas, building them as prototypes and products only to find out that against all our intuition, they flopped. Pretotyping Work offers a new method for exploring breakthroughs, that strips away wasteful opinion and speculation, and replaces it with a disciplined approach to testing actual market demand while investing a fraction of the full development costs. NiEW added it Sep 24, The main reason his lessons stand out from The Lean Startup is that it's made of concrete techniques you can put to practice tomorrow, on a bootstrapped budget you can afford!

If your new product or service fails fast and cheaply, you will have the time, money, and energy to try again. Work offers a new method for exploring breakthroughs, that strips away wasteful opinion and speculation, and replaces it with a disciplined approach to testing actual market demand while investing a fraction of the full development costs.
