Within its pages those who are paying attention will find everything they require to discover their true self. Whenever you can remember, always let it go. This usually means that you are past some of the immediate phases of bitterness, or pure grief.

Remember what you deserve and keep pushing forward. Raise your consciousness.

We all know the things you can let go of. This is a book I read practically everyday and have done so for years. Let them leave your life quietly.

Days feel long and treacherous and like you just wish you be on the couch tobing

know I have to take the advice from this post, but I miss him so. Now the best of Finley's message of hope and self-liberation is available in an attractive gift book format.
