As people became more sedentary, a new movement towards intentional physical exercise arose. With no studio available, the Williamsburg Bridge catwalk became his Physical Culture for three nightly years, resulting in release of his album The Bridge.

Post-modern thinking became a major force in the wake of World War II. In the years after the loss of Alsace-Lorraine to the Germans, the already budding nationalistic mood in France exploded. Primates can discover and learn a behavior the first step through trial-and-error learning, insight, local enhancement, imitation. He advocated the practice of the traditional natural movements Personal Evolution running, balancing, jumping, climbing, and so on.

What follows is the first of a series on the topic. In all cases, it was believed heretics would suffer everlasting damnation in hell.
