But, behind the facts are the reality of thirty-five years of active naval service as the foremost air superiority fighter of the cold war with continuing service as a fighter-bomber in the Gulf Wars. Books by Dave Parsons. The text is added in such a way that each recollection appears poetic..The images are simply stunning. MosthelpfulcustomerreviewsonAmazon. The photos are juxtaposed with poetic memories, short and long, but all highly readable Brian rated it it was amazing Aug 31, I had to put the book down as it kept making me so sad at the demise of the aircraft that could do it all better than anything else, even when matched against todays supposedly superior aircraft.

But, if you're equally obsessed with naval aviation, and specifically the F, or edit your browsing history. Two hundred exceptional color photographs show the F on the deck, in the air, and over the sea.
