A single memo announcing the transformation or even a series of speeches by the CEO and the executive team are never. Reconstructed with Liberal Doses of Poetic License. Without this ability to adapt continuously, organizations cannot thrive.

It must be focused, flexible and easy to communicate. Here are the most common Structural Barriers Many times the internal structures of companies are at odds with the change vision. If done skillfully this only slows the process and, if exposed, looks terrible – sleazy, cruel and unfair – and undermines the entire effort.

Barratt of London, with a self-help exercise, an index and a select bibliography group should have enough proven leaders to be able to drive the change process.
