Your point about requiring an immersion of the student into the language without the lifeline of returning to the native language is well-reasoned. I think rewards when they speak English is the best route to take with students in an ESL class. Tellusabitabout.ItisanoldgoodMSWordfile. They expect to be entertained, refuse to read. In Europe, due to its proximity to the United Kingdom, British English was usually the model presented in teaching materials.

Thissubjectmanymanyhubwritingtoyou. Get to know your pupils and identify their interests and needs, then design your course accordingly. At the beginning of the course, each student is provided with an individual password and a user name to allow access to the Virtual Campus.
