Sep 29, njpolizzi rated it liked it. I know this is fantasy, but that was just a bit too out there for me.

This is the second book in the Wolf Chronicles Trilogy if you haven't read the first.

But now someone knows the truth and is determined to exterminate her family line. Don't get me wrong, I love the book, but writing romance isn't Hearst's greatest skill.

Werewolf romance novels are my comfort reads.

I was with my summer camp, and me and my friend could finally look at the adult side of life. For Bea, she has this much in common with her new husband: But a marriage borne out of duty soon takes on a whole new spin.
