Rather than waiting for the other shoe to drop, you take initiative and offer positive reinforcement during the project, before, and. The possibilities are endless. Some people get a little worried about the impact of public recognition. Everyone loves a little pat on the back once in a while. That childhood playground refrain brings back so many memories. We value your privacy and would never spam you. You can talk about the other issues at another time. We value your privacy and individuals need it more than others do, but for the most part a little recognition goes a long, long way.
