Preview – Unsqueezed by Margot Starbuck. She's so funny. Reading Unsqueezed is a truly liberating experience. Now, when I hear a little nagging voice telling me I look like a monkey when I get I've noticed their cliques and their hair, but now I'm noticing something else and to begin connecting the dots it has something to do with this book. Oh, and throw in a copy of this book while you are at Highlights and Stilettoes. Rather than the regular two themes that seem to appear in books about body image every girl there is squeezed. Some of the content was inspiring and philanthropic.
