Amazon Prime Music Stream millions of songs, ad-free. Early modern European children encountered written literature with their parents or other adults, most often spiritual teachers or schoolmasters. Gillian Avery, a British social historian, reflects on what is for her one of the most fascinating things about the study of children's books:

Firmly based in the concept of originals in, and intended to frighten youth in. But soon Jake begins to question himself and his cousin. Also never read anything by L. Male characters were more likely to travel beyond the domestic circle, and to interact safely with those outside the family, household, or village. And are there implicit dangers therein? Tim McBain Goodreads Author. Other books of the period appropriated by children as their own included Gulliver's Travels and Robinson Crusoe both no doubt attractive for their exciting plots and evocative settings, which stimulated youthful imaginations as much as those of their elders.
