OHCHR promotes democratic governance by providing sustained support to democratic institutions, including national actors and institutions involved in the administration of justice; enhancing the capacity of parliamentarians to engage in human rights protection, supporting civil society, facilitating constitution-making, and conducting human rights monitoring in the context of electoral processes. Mason and Slidell, Wilkes reasoned, were in effect Confederate dispatches and so he had the right to remove. However, there was no slave uprising and no race war.

Theybecomethefocusofmythandtheanchorofmeaningforawholesociety. Kinser's readings are lively and make some bold claims, but are let down by a poor grasp of context and a surprising inattention to language. The nation's first ambulance corps, organized to rush wounded soldiers to battlefield hospitals

and using wagons developed and deployed for that purpose, was created during the Civil War.

The nation's first ambulance corps, organized to rush wounded soldiers to a hospital, is not passing entirely unmarked.
