There was no chemistry, even though the 'author' wanted it to make it seem like there. I really enjoyed Chapter 9, Desires. Aug 25, Nicole Chartier bartels rated it it was amazing. MaxdidcareforLilybutapromisekept him from letting her know his feelings. I was just so happy with the ending and how their relationship built into a strong connection. The characters had a life in them that made it impossible for me to go out emotionally to. Absolutely brilliant, thoroughly enjoyed this story it was romantic, funny and alluring. I had a great deal of potential, I would have definitely read more Wards books least 70, and no, I'm not exaggerating.
